NEWS FROM ST. RICHARD'S

American Red Cross Blood Drive

The impact of low blood supplies is being felt across the nation. We need your help! On Wednesday, January 25, there will be a blood drive in the Penn Campus Gym hosted by St. Richard's Catholic Church and the American Red Cross. After the 12:15 school Mass, plan to stay around to donate! You can pre-register online at www.redcrossblood.org using sponsor code StRich. We look forward to seeing you there!

Support Ecumenism in Our Community

We are in the midst of the Week of Prayer for Christian Unity, which is celebrated by Catholics, Orthodox and Protestant Christians worldwide. This year is particularly significant because it is the 500th anniversary of the Reformation. Here at St. Richard, we put ecumenism into practice, especially on the First Friday of each month, when we invite Christians from all faith traditions for Taizé Prayer. Invite your friends to join us on Friday, February 3, at 7:30 pm. Learn more online at www.strichards.com/taize-prayer.

Ecumenical Prayer Service: Reformation Anniversary

On Sunday, January 22, at 5:00pm, Central Lutheran Church (333 South 12th Street, Minneapolis) invites Catholics and Lutherans to join together for an evening of prayer with Archbishop Bernard Hebda and ELCA Bishop Patricia Lull. This special service marks the beginning of a year-long observance of the 500th Anniversary of the Reformation.

Hello!

I hope everyone has been able to stay warm in this frigid winter weather. I am writing to let everyone know about a free opportunity that many dental clinics are providing in the month of February—each clinic has a specific date they are hosting the event and many are in the beginning of the month.

The project is called “Give Kids a Smile.” A number of dentists and dental assistants volunteer to provide a variety of services at no cost on the event days. All you need to do is find the location that is closest to you, make an appointment for your child and you are ready to go! Below is a list of the clinics close to BT, however, there are many more clinics offering services. You can find a complete list of clinics, their contact information and the date they are providing services if you just go to the link below—they are listed by county.
