## 1:1 CHROMEBOOK PROGRAM

Through the generosity of many during our Give to the Max campaign this fall and the hard work of our technology coordinator Jill Elfering, we are launching our 1:1 Chromebook program. Students are starting to use these new devices, learning how they need to care for them and gearing up to take these out our doors to continue their learning at home. This is a truly exciting time for our school as we continue to implement technology to further student learning and development.

## 1:1 CHROMEBOOK PROGRAM

A través de la generosidad de muchos durante nuestra campaña de Give to the Max este otoño y el duro trabajo de nuestra coordinadora de tecnología Jill Elfering, estamos lanzando nuestro programa Chromebook 1: 1. Los estudiantes están empezando a usar estos nuevos dispositivos, aprendiendo cómo necesitan para cuidarlos y preparándolos para sacarlos de nuestras puertas para continuar aprendiendo en casa. Este es un momento verdaderamente emocionante para nuestra escuela mientras seguimos implementando tecnología para fomentar el aprendizaje y el desarrollo de los estudiantes.
