

KoAm Host Family Worksheet

Thank you for considering the opportunity to be a host family for a KoAm exchange student.

This application is not a full commitment to the program. It is just another way to help you discern if becoming a host family will work for your family.

The attached application is a worksheet you can use to organize your thoughts. After you have completed the worksheet, please log on to the KoAm website to submit your application. If you do not have access to the internet, please send this application into the school office Attn: Terry Braun.

- 
- 1 Go to www.koameduall.org
 - 2 On the right hand side of the window there is a "Quick Menu" - click on "Become a host family"
 - 3 You will need to create a log on account.
 - Complete the "Join now" section and click "join"
 - Once you have Joined you must log in on the "Log in" section
 - This is where you will be able to log in each time you return to the website
 - 4 Fill in the application using the worksheet that you have already completed.
*You are able to save your work and come back to it if you are interrupted.
 - 5 After completing the *General, Family and Additional Information* sections of the application there is an opportunity to submit digital photos of your family. Once accepted, this is a fun way to share information about yourself and your family to prospective exchange students.

Once you have completed and submitted your application you will be contacted by a KoAm representative about the next steps in the process.

Thank you for taking the time to submit this application. This is a great opportunity for your family to learn more about another culture and share our own. When you open your home to this global friend you are also assisting our school. Without your willingness to host a student we would not be able to bring this learning experience to our school community. KoAm Exchange students also assist Blessed Trinity financially by contributing 'full out of parish tuition' for each Korean child.

You can keep your login and ID written here for easy reference.
