Dear Blessed Trinity Family,

Though our calendar only recently moved to 2012, we are excited to begin the registration process for the 2012-2013 school year. Similar to last school year, our registration process will include the use of our online information system, Cornerstone, in addition to some paperwork submitted to the school. Please review all the information in this packet carefully. Each step of this process is important to completely register your family and ensure a smooth start to the next school year. For returning families, you can begin registering on Friday, January 20, 2012. Our priority registration period for returning families lasts until Friday, March 9.
